Friday December 12th (MBB, Large seminar room, Scheele laboratory, Scheeles väg 2)
Anders Hamsten, Department of Medicine

Friday December 19th
No seminar. Happy holidays and see you in 2009!

Seminars are from 15:00-16:00 and refreshments will be served. Light drinks will be available after 16:00, so plan on mingling with your colleagues and enjoying that it is Friday afternoon...

Further information on the seminar for each week including a map to the lecture hall can be found on the CERIC homepage (<http://www.ceric.se/>).

Do you have suggestions for seminar speakers? If so, please contact Craig Wheelock (craig.wheelock@ki.se).
